

Upper Valley Rowing Foundation Scholarship Application

Through the generosity of donors, UVRF is able to offer a limited number of partial scholarships to UVRF participants. Scholarships may cover up to 50% of the program fee. Briefly respond to the following questions and forward your application to the Chair of the UVRF Scholarship Committee at uppervalleyrc@gmail.com.

All applications will be treated confidentially.

UVRF Board Members and their families are ineligible for scholarships.

- Personal Information:
 - Name
 - Address
 - Phone
 - Email
 - Sex
 - Date of Birth
 - Occupation

- Briefly describe your experience with and / or interest in rowing.

- Please state what UVRF program(s) you hope to participate in this season.

- What is the dollar amount of the scholarship request (an amount that would make it possible for you to participate in rowing this season)?

- Would payment in full for the program(s) of interest present a financial hardship for you? (A simple yes or no is needed here; we do not at present request supporting documentation.)

- UVRF depends on volunteers, and we expect scholarship recipients to volunteer for at least one of the volunteer workdays both in spring and fall, and to volunteer as a dock monitor. Do you understand and are you willing to meet these commitments?
 - If you have received a UVRF scholarship in the past, what volunteer jobs have you undertaken? Please be specific.
